15<sup>th</sup> May 2020

Dear Parents/ Carers

I hope that you and your family are well and coping as well as you can in these difficult circumstances. You will have heard in the press and on television that schools are beginning to make steps to prepare for a gradual return.

At SHC we are very aware that many of our staff and students use public transport to get to college and do not want to put them at risk unnecessarily. We therefore continue to focus on improving remote learning and have also issued work packs and a small number of laptops for students in need.

We are now working hard to prepare the site for the new academic year in order to make it as safe as possible. From the 3<sup>rd</sup> June we intend to offer small group classes or individual workshops for those students that teachers feel would benefit and improve their progression into their next course of study in September. Students who are able to continue to work remotely and show positive progression should continue to do so. We will contact you before 22<sup>nd</sup> May if your son or daughter is identified as needing face to face learning to arrange and agree timings and risk free travel to and from college.

Please do not hesitate to contact us if you have any concerns.

Yours sincerely

Jan Atkinson  
Principal
